RE: Michigan-Indiana State Line Remonumentation Project - Grant BCC MI-IN 26-104

Dear Jerry Happel,

DLZ Michigan, Inc. (DLZ) is a multi-disciplinary, consulting engineering firm and a leader in the surveying industry with 30+ offices throughout the Midwest. DLZ has assembled a quality professional team to survey and remonument the Michigan-Indiana State Line for St. Joseph County (County). We are known for our experience, exceptional technical work, and unmatched client service. **DLZ's reputation for client satisfaction is best demonstrated by the fact that approximately 95% of our work comes from repeat clients.**

With 12 licensed Indiana Professional Surveyors, 4 licensed Michigan Professional Surveyors, and a Certified Federal Surveyor on staff, we feel that we are ideally suited for this project. We have carefully selected team members and individuals that possess the knowledge and experience critical to the successful completion of these surveys.

We appreciate the opportunity to submit our qualifications and look forward to discussing our approach in person with the County. We are very excited about building a relationship with the County. DLZ is ready to commit the necessary resources to ensure your success on this important project.

Very truly yours,

DLZ MICHIGAN, INC.
